Professional Summary

Finance and Accounting graduate (77%, Very Good with Honours) who ranked 1st at BUE and 45th globally out of 500+ participants across 50+ universities in LSEG's CEEMA Virtual University Challenge, structuring an ESG-constrained investment portfolio under live market conditions. Deliberately rotated across Big 4 audit methodology (PwC), commercial banking risk (CIB), credit scoring (iScore), and industrial finance (Elsewedy) to build a cross-functional, data-driven lens before committing to a long-term path, translating complex, ambiguous datasets into client-ready recommendations for executive audiences. Delivered financial literacy sessions to 500+ non-technical participants as an EGX Ambassador, adapting complex material for diverse audiences. Proficient in Python, SQL, Power BI, and LSEG Workspace.
